

The Richelieu Leger family Association

2005

Acadian Heritage day

*The Richelieu Leger Association participated in the
Acadian Heritage Day in Rayne, La.*

*A wonderful presentation was viewed explaining the
importance of the Louisiana Purchase to the
United States of America.*

*Many other Acadian Families also manned booths,
presenting Information, Sale Items, and Genealogy.
A luscious lunch was enjoyed by all, before the festivities
were cut short with the news that Hurricane Katrina
was approaching our coast.*
