Who is "Sue"

Sandra "Sue" Lege Neveaux was born in Abbeville, La. to Minus Paul Lege and Neoma Marie L. Lege.

She attended Mt. Carmel Elementary from 1st to 7th grade before transferring to, and graduating from Meaux High School. Graduating year was significant for Sue. She finished High school in May, got married in September, and also went to State Board in Baton Rouge to take exam to become a hairdresser, all in the same year.

Sue has been married to Kenneth Paul Neveaux for 45 years. They have three daughters, and two grandchildren. Despite the love they both have for their daughters, the main subject of their pride and joy are their two grandchildren.

Ken is employed with Apache Corporation and Sue is a homemaker and part-time hairdresser. They both enjoy traveling, hunting, fishing and spending time with family and friends.

Sue is very proud to be a member of the Richelieu Leger Association. Sue is one of the first Lifetime/Charter members of the association, has been a board member since 2001 and has been chairperson or co-chairperson of every reunion ever since. She is very humble and does not hesitate to praise the efforts of all the hard working board members. Sue has also served as Vice president of the Association for the past several years. According to Sue, "Together we have made a successful organization that provides camaraderie and knowledge of genealogy that is so important in keeping our ties with family!"
